Sample Home Page

The image is a screenshot of a Twitter home page mockup. At the top is a navigation bar with icons for '@ Connect', '# Discover', and 'Me', a search bar, and icons for messages, settings, and a compose button. The main content area is divided into three columns. The left column features a user profile for '@jacobus_myers' with a 'WEB APP' header, 26 tweets, 157 following, and 78 followers, along with a 'Compose new Tweet...' button. Below this is a 'Who to follow' section with three suggestions: 'SimilarUser', 'Anotheruser', and 'Twitter', each with a 'Follow' button. The bottom of the left column shows a 'Trends' section with a list of hashtags and names. The middle column displays a list of tweets from a user named 'c_sanders', including tweets about a job at @jacobus_myers, a mistaken idea of denouncing pleasure, a complete account of the system, a retweet about Vine, new Twitter Alerts features, a refreshed profile link, a friendly reminder for Mother's Day, and a tweet about SharkWeek.
